- Entrance & road outside, dark , dirty and dangerous
- Too run down to use for parties, not a comfortable place and kitchen facilities are outdated
- Would benefit from a serving hatch for events
- Smell of damp is appalling. This is the most urgent
- Remove suspended ceiling to show its full glory
- Inner doors needed
- Damp, cold and tired looking
- Reconfigure toilets & storeroom and create more storage space, don't need to extend
- Coat hanging facilities
- Upgrade the tables and chairs
- Make the building sound
- A valuable asset that we should cherish. Don't lose its character
- We need to love it more
